

Florence Bowser Elementary Device Pick-up Schedule

In order to assist with the virtual learning plan, Suffolk Public Schools will be issuing every student a Chromebook this year. Below is a schedule to pick up your student's device from Florence Bowser Elementary. In order to receive the device, it is mandatory that a parent or guardian AND student be present. *Please bring a photo ID*. Prior to receiving the device, the device agreement form will need to be completed by the parent and student. Please adhere to the schedule below to help us ensure this process is as seamless as possible.

Additionally, ALL visitors must wear a mask and practice social distancing while in the building. Due to the large number of students at each grade level, we ask that you remember to exercise patience because this may not be a quick process. Parents and students will enter through the cafeteria side door (#2) and exit through the gym back door. There will be no entry through the main front door, but the office staff will be available by phone if you have any questions. Thank you for your continued support.
